

Reignite the Passion of Learning

# Ignitia Online Curriculum Course Listing

Global Student Network now brings Bible-based, Online Courses to Homeschool Students and to Christian Schools worldwide

Ignitia is an online curriculum originally built exclusively for Christian schools. Now... **Global Student Network** is bringing it to Homeschool families all over the world! A comprehensive curriculum for students in grades 3-12, Ignitia offers the five core subjects of Bible, history and geography, language arts, math and science, as well as over 90 electives, including world languages, music literature, health and state history for every state. Infused with multimedia, Ignitia's Bible-based lessons go beyond textbooks with a multidimensional learning approach that appeals to all learning styles.
